

INSAN BIRYANI

Gapan City Plaza Night Market, Nueva Ecija

Payment Agreement Contract

This agreement is between **Insan Biryani** ("the Stall") and **Krystal Jhem Robles** ("the Helper"), for work at the food stall in Gapan City Plaza Night Market, Nueva Ecija.

The Helper agrees to work as an all-around helper at the stall, assisting with food preparation, serving orders, helping at the cashier / POS, and keeping the stall clean.

The Helper's shift is every night from **5:00 PM to 10:00 PM**, and the Helper should arrive 5 minutes early. Pay is given only for nights actually worked — no work, no pay.

The Helper will be paid a fixed amount of **₱400.00** for every night worked, paid in cash at the end of each shift. However, if the stall's total sales for that day are below **₱4,000**, the Helper will instead be paid **10% of that day's total sales**, so the stall still has enough money to restock for the next day.

This works out as follows:

- Sales ₱5,000 → Pay ₱400.00 (fixed)
- Sales ₱4,000 → Pay ₱400.00 (fixed)
- Sales ₱3,500 → Pay ₱350.00 (10%)
- Sales ₱2,800 → Pay ₱280.00 (10%)

Note: If the Helper also washes the dishes herself after each shift, she will receive an additional **₱100.00** for that night, on top of the amount above.

On nights when sales are especially high — especially during the **ber months (September to December)** — the Helper may also receive a bonus, depending on actual sales and at the Stall Owner's discretion.

By signing below, both parties agree to the terms described above. Both parties will receive a copy of this agreement.
